Welcome to another school year!

The Wauconda District #118 PTO invites all district families and staff to participate in our organization. We are an organization consisting of parents and teachers working together to support and enrich our children's learning experiences. Together, we support students and school staff and assist in efforts to solve school needs through volunteering and funding.

Our primary objective as a PTO is to provide our school with funds, programs, resources, and services that will enrich and maximize the education of every child and to benefit the school. To meet this important objective, we fundraise. With those funds, each PTO is able to do great things for their schools.
